

Program Title Fashion Minor (FAH)

Unit responsible for administration of program, certificate, or minor

Fashion and Textile Technology Department

Description

The Fashion minor in the Fashion and Textile Technology Department offers a comprehensive understanding of the contemporary fashion industry including fashion/textile history, fashion design, and fashion business. A total of 18 credits are required with three courses both in the required and elective courses. Three elective courses will introduce students to a variety of segments of the fashion industry. All courses are taught in the Fashion and Textile Technology Department and students enrolled in the Fashion minor can also participate in the annual Runway Fashion show.
